

## **Paper for Information: Matters arising**

### **Agenda Item: 1**

Please see attached paper for information that details actions from previous meetings.

**SMCN: Matters Arising Action Checklist**

<b>ITEM</b>	<b>TASK</b>	<b>ACTION</b>
<b>SMCN/08/06</b> <i>The influence of maternal, fetal and child nutrition on the development of disease in later life</i>	Secretariat to contact the research project coordinator to see if there were any other papers of importance to this topic being published, noting that obesity and breastfeeding are areas of particular interest	Actioned. A further paper was included in the draft report for consultation [Jones et al, 2009 "Relationship between Maternal Growth, Infant 1 Birthweight and Nutrient Partitioning in Teenage Pregnancies"]
<b>SMCN/08/AOB</b>	The Chair to draft a paper outlining the Subgroup's proposal to undertake a review of the evidence around complementary feeding to be presented to the SACN Main Committee at their Horizon Scanning meeting in October 09	Actioned. It was agreed at the SACN Horizon Scanning meeting that SMCN would now consider the terms of reference and scope for the review, and report back to SACN
<b>SMCN/09/02</b>	Secretariat to provide members with further details of the specific outcomes on work with industry regarding Good Night Milks following publication of the SACN statement in November 2008	An update will be provided at this meeting.
<b>SMCN/09/04 and 05</b> <i>The influence of maternal, fetal and child nutrition on the development of disease in later life</i>	Secretariat to make revisions and present the report to the main SACN Committee in October 09	Actioned. Final draft report went out for consultation from 8 <sup>th</sup> February until 30 <sup>th</sup> April 2010
	Secretariat to consider drawing up a document outlining the nature of SACN consultations	This suggestion has been put forward to the main Secretariat

<b>SMCN/09/06</b> <i>Assessment of a novel ingredient for infant formula</i>	Secretariat to feed the Committee's discussion/concerns back to FSA and ask for clarification on points of uncertainty that had been highlighted in the discussion	Actioned. FSA has sent a letter to the manufacturer outlining SMCN's discussion and opinion
<b>SMCN/09/07</b> <i>Updates</i>	Wales to feedback further information about the Healthy Weight Data Collection Feasibility Study, particularly with regard to the age of the children	Sue Sky to update
<b>SMCN AOB</b>	Secretariat to circulate the Start4Life behaviours presented to the Committee to those not present	Actioned
