

Paper for Information: Matters arising

Agenda Item: 1

Please see attached paper for information that details actions from previous meetings.

SMCN: Matters Arising Action Checklist

ITEM	TASK	ACTION
SMCN/09min02	Secretariat to send an update on the industry response regarding Good Night Milks following the publication of the SACN statement to RCPCH	An email was sent to Dr David Vickers at RCPCH informing him of Danone's withdrawal of Cow & Gate (now owned by Danone) Good Night Milk products
	Secretariat to circulate the final version of Start4Life behaviours	Actioned
	Secretariat to add nutrition and maternal health to the next SMCN agenda for discussion	Due to work load and changes with the SACN Secretariat, this work has been put on hold
SMCN/10/01, SMCN/10/01a and SMCN/10/02	Secretariat to include a clear indication of respondents' status and affiliation in the final table of consultation responses and agreed actions	Actioned. Table updated and circulated at the main SACN meeting in June
	Secretariat to contact Professor Angus Walls for his opinion on the suggestion that dental health be added to the scope of the report	Actioned. At the SACN main meeting in June, Professor Angus Walls agreed to provide some text - this has not yet been received
	Prof Alan Jackson to send the Secretariat some useful wording on the role of the placenta	Actioned. This has been incorporated into the revised draft (agenda item 3)
	Secretariat to cross check the report against the energy requirements report from SACN's working group, to ensure any inconsistencies are ironed out	Actioned (revised draft circulated - see agenda item 3)
	Secretariat to go through the detailed comments from MRC HNR and the Scottish Food Advisory Committee and make amendments to wording as appropriate	Actioned (revised draft circulated – see agenda item 3)

	Secretariat to redraft recommendations and conclusions and circulate to the Subgroup	Secretariat redrafted recommendations and conclusions and presented these to the main SACN committee in June, along with a draft executive summary for the report (see revised draft report under agenda item 3)
	Secretariat to prepare papers on the early nutrition report recommendations and summary, and table of consultation comments for the main SACN meeting on 7 th June	Actioned. These were presented to the main Committee in June alongside the unedited consultation draft. Following the SACN main meeting, the report has been edited and incorporates comments from the consultation, and from the Subgroup and main SACN Committee (see agenda item 3)
SMCN/10/03	Secretariat to revise scope of review of risks of not breastfeeding based on comments from the Subgroup, and draw up terms of reference	Due to work load and changes with the SACN Secretariat, this work has been put on hold
SMCN/10/04	Secretariat to draft a paper on the SMCN view on timing of introduction of gluten into infants' diets, and add to the next SMCN agenda	Covered under agenda item 2
