

Paper for information: Matters Arising

Agenda item: 1

Please see attached paper for information that details actions from previous meetings.

SACN: MATTERS ARISING ACTION CHECKLIST

ITEM	TASK	ACTION
SACN/09/01	Iron and Health Report	The Working Group met in November 2009 and the report has been amended. The report is to be finalised and agreed at this meeting, for publication in April/May 2010. See agenda item 2
SACN/09/03	Energy Requirements Report	The scientific consultation on the draft report ended on 11 February 2010. The Working Group will meet on 12 April 2010 to discuss the consultation responses and amend the report. The Working Group and Secretariat will review the timeline for finalising the report and publication.
SACN/09/15	Report to the Chief Medical Officer (CMO) on folic acid and colorectal cancer risk	Report was sent to the CMO in October 2009. Awaiting decision by Health Ministers on mandatory folic acid fortification. A summary of the report is on the SACN website. The full report will be published on the website once the results from the meta-analysis provided by Professor Robert Clarke have been published.
SACN/09/27	Draft Early Life Nutrition and Later Health Report	Draft report was released for a 12-week scientific consultation on 8 February 2010. The Working Group will then meet in May to discuss the consultation responses and amend the report. It is anticipated that the final report will be published in late 2010.
	Selenium report	The SACN Secretariat will do further work on this report once the iron report is published.
	ANANF report	The SACN Secretariat has met with ACNFP Secretariat several times to progress this work.
SACN/HS/09/05	Sustainability – Defra observer on SACN	Bronwen Jones, Head of Sustainability has been appointed as the Defra observer on SACN
SACN/HS/09/07	EFSA	Dr Alison Tedstone to provide a verbal update to the Committee at this meeting.
