

Paper for information: Matters Arising

Agenda item: 1

Please see attached paper for information that details actions from previous meetings.

SACN: MATTERS ARISING ACTION CHECKLIST

ITEM	TASK	ACTION
SACN/09/01	Iron and Health Report	The Iron report was finalised and sent for printing/publication in late 2010, with the plan to publish externally in January 2011.
SACN/10/11	Energy Requirements Report	The energy report is being redrafted to take into consideration Members comments from August 2010. Publication is planned for mid 2011.
SACN/10/13	Draft Early Life Nutrition and Later Health Report	The report was redrafted post consultation and a revised draft with conclusions and recommendations was presented to the Subgroup in September 2010. The report is in the process of being finalised and it is anticipated that the final report will be published in early 2011.
	Selenium and health statement	The SACN Secretariat will do further work on this statement in early 2011.
	NDNS	The Chair suggested that an update on NDNS including an introduction to the NDNS should be given at a later meeting. An update will be provided at agenda item 3.
SACN/10/17	Vitamin D	A draft of the Terms of Reference for the Vitamin D Working Group will be prepared for discussion by the Committee. This is for discussion under agenda item 2.
SACN/10/17	SACN/RCPC draft statement on BMI thresholds to define overweight and obesity in children	Once finalised, the SACN/RCPC statement will be published on the SACN website
