27 August 2002

Dear Committee Member,

Please find enclosed an interested parties letter that introduces the enclosed draft report of the Expert Group on Vitamins and Minerals (EVM).

Members are requested to examine the report for discussion at the next meeting to formulate, if necessary, a SACN response.

Members are of course entitled to respond individually direct to Sam Church at the EVM Secretariat.

SACN's next meeting is to be held on Thursday 3 October at the Department of Health Offices at Wellington House. The agenda and remaining papers for the meeting will follow in due course.

Yours sincerely,

JEFF ALLDER
SACN Secretariat
