

Consultation on Nutritional Standards for School Meals

Agenda Item: 6

DfES has published a report on nutritional standards for school lunches titled "*Turning the tables: Transforming school Food*" for consultation which ends on 31 December. The standards were developed by the School Meals Review Panel.

At the main SACN meeting on 19 October, members requested SMCN to comment on the report. Comments will be collated by the secretariat and sent to DfES.

The report is being circulated as a hard copy and the supporting appendices are provided on CD-ROM.

Members are requested to comment on the report.
